

PERSONAL PATHWAY BLUEPRINT ©

The *Personal Pathway Blueprint* is a suggested seven-step structure to support you in attuning to the innate channel within your being. This channel will provide you with the experience to *Know the Source of your Consciousness*, so you can have access to the imprints and wisdom within the Akashic field and beyond. In personalizing your Pathway to access this source of energy and consciousness, you deliberately create a path to connect and communicate with this source information. The outline helps you create an invocation to consciously connect to this channel.

PATHWAY BLUEPRINT:

1) Please - The sincere request or simple ask.

Suggested 1st Stanza ~ Who, Where, What, & Why:

What beings of energy are you called to invoke and acknowledge?

Where do they reside?

What information do you seek from the beings of energy and why?

Suggested 2nd Stanza ~ Establish Self-Trust & Safety:

How do you know yourself as a sacred being?

As a sacred being, how do you know you are connected to the source of your consciousness?

What do you need within yourself to feel safe as you connect with the source of your consciousness?

Suggested 3rd Stanza ~ Create Protection & Awaken Senses:

How can you purify and protect your energy field inside and out?

How can you separate your mind and ego from intervening?

How can you declare energetic boundaries from meddling spirits and energy?

What senses need to be awakened to receive energy and information?

Suggested 4th Stanza ~ Higher Perspective & Guiding Forces:

How do you want to see yourself from the perspective of these higher beings?

How would you like these guiding forces to support you?

What information would you like from them?

How would you like to announce the opening of elevated awareness of this altered state of consciousness?

2) Thank You - The expression of gratitude and closing of the session.

Suggested 1st Stanza ~ Gratitude & Appreciation:

How can you express your gratitude and appreciation as a whole?

Suggested 2nd Stanza ~ Honor & Respect:

How can you honor and respect yourself?

How can you honor the connection to the source of your consciousness?

How would you like to announce the pathway is closed? How will you return to grounded awareness from this altered state of consciousness?

3) Intention

Who do you intend to use this Pathway for? You can use your Pathway on yourself, others, and/or something else with a life force e.g. pet, home, business, etc. You are free to make alterations for any combination of the three.
